COOKIES POLICY

This Cookies Policy is an integral part of the Legal Notice and Privacy Policy of the website https://www.mktgspain.com/ (hereinafter, the "**Website**").

In order to make browsing the Website easier, ACTIVIDADES DE OCIO Y EDUCACIÓN, S.L. (hereinafter "**MKTGSPAIN**"), as the owner of the Website, with registered address at 2 Calle Alfarería, 28933 - Móstoles, Madrid, Spain, hereby informs you that it uses cookies or other data storage and retrieval devices with similar functions (hereinafter, "**Cookies"**).

Therefore, in order to ensure that users have all the information necessary for properly browsing, we provide them with the following information on what cookies are, the types of cookies used on our Website and how they can be configured or disabled.

1. WHAT IS A COOKIE?

Cookies are files containing small amounts of information that are downloaded to the user's device when visiting a website.

Cookies are essential for the operation of the Internet, as they offer technical solutions that allow users to browse different websites; they cannot damage the user's equipment/device and can be used to identify and resolve possible errors in websites operation. They may also be used for advertising or analytical purposes.

2. USE OF COOKIES

Specifically, MKTGSPAIN uses its own cookies generated directly by this domain and third-party cookies generated from other websites outside MKTGSPAIN, belonging to third party companies, for the specific purposes described below. If, in the future, MKTGSPAIN uses other cookies for the purpose of providing more and better services, the user will be informed of this.

(i)   Own or necessary technical cookies.

These cookies allow users to browse a website and use the different options or services available on it, such as, for example, controlling website traffic and data communication, storing content for the broadcasting of videos or sound or enabling dynamic content (for example, text or image loading animation).

MKTGSPAIN does not need your consent to install on your device those cookies that are necessary to activate the features of the Website. Their use is based on the need to provide the services requested. Therefore, since they are necessary for the operation of the site, these cookies will be activated by

default and cannot be rejected or deactivated.

(ii)   Personalisation cookies

These cookies allow information to be remembered, so that users can access the service with certain characteristics that may differentiate their experience from that of other users, such as, for example, the language, the number of results to be displayed when the user searches the site, the appearance or content of the service depending on the type of browser used, the region from which users access the service, etc.

If users themselves choose these features (for example, if they select the language of a website by clicking on the flag icon of the relevant country), the cookies will be considered as a service expressly requested by the user, and will therefore be used exclusively for the selected purpose and without requesting their express consent.
